Summary of reasons for decision:

The image file depicts two subjects who are either older children or young teens, engaged in a sexual act. It is classified objectionable because it promotes and supports the exploitation of children or young persons for sexual purposes under s 3(2)(a) of the Films, Videos, and Publications Classification Act 1993. The file is intended for the arousal of adults with a sexual interest in children or young persons, and presents them as sexually active and ready to engage in adult sexual activities. This classification interferes with the right to freedom of expression as affirmed by the New Zealand Bill of Rights Act 1990, however it is consistent with Parliament's intention that publications that promote and support s3(2) criteria are deemed objectionable. The classification also reflects the concern of New Zealand society to protect its young and vulnerable members from sexual exploitation.
